Worked with Jocelyn Paxton (cabinets and countertops) and Paul Deaton, floors. Everyone has been very helpful and cooperative. Subs have been professional and have worked to make certain that everything has met my concerns.

Paul Deaton was easy to work with and took time to help us choose the right carpet for our budget. Also, the installers did a great job. Plus, not only did they arrive exactly when scheduled, they cleaned up everything before they left. Thank you!

Recently Dalton One installed a new tile backsplash in our kitchen. Thanks to Keri Adams for recommending the perfect tile and the two installers for a great job (no mess and a couple of nice guys), we could be happier!

This is the second time I purchased from Dalton Carpets. Once again I'm very satisfied! Justin Aldridge went above and beyond and the installers were great again!

They got smoked by Team B, The Unforgivable Curse, who made \$334,150. The losing team served the winners their dinner. Thanks to all the sales and support staff!
